

High Country Tek, Inc.

Programming & Set-up Tool: **TekBook**

Electronic Control Solutions for the Global Fluid Power Industry

Features:

- Full color, portable product programming & set-up work station
- Genuine Windows™7 Home operating system
- Pre-loaded with general and selected HCT software and drivers
- USB to serial converter installed and ready to use
- Supplied with HCT programming cable
- VGA output, Memory card slots and Network capability as standard
- Wireless Internet communications with 'Crossloop™' installed for in-field use

Overview:

Our new **TekBook** will now allow mobile users and field operatives to have access to HCT's full featured standard graphical user interfaces (GUI's) for specialty and DVC product ranges, making programming, set-up, data-logging and modifications easier, simpler and clearer than ever before.

The TekBook comes with a 10.1" anti-glare LED backlit display (1024 x 600), running standard Windows™ 7 Home operating system. An integrated mouse, 92% full size keyboard, large hard drive, multiple USB ports and additional external memory card slots, makes this unit easy to use and integrate into any system environment.

The unit has outputs for external VGA monitors / PC projector as well as internal camera and microphone for Skype usage, while the 10/100BASE-T Ethernet LAN or 802.11b/g wireless features allows the user to connect to a wired office LAN or wirelessly via hotspots or convenient wireless signals to make sure contact can be made when needed.

Hardware Included:

The High Country Tek, Inc. TekBook comes complete with:

- User guide
- 65W AC Adaptor (global use version)
- USB to RS232 adaptor (Installed)
- HCT programming cable - product specific

Pre-loaded Software:

The TekBook comes pre-loaded with a range of standard software and HCT drivers and GUI's:

- DVC series Intella™ PLM - Latest available version (unless specified by user)
- USB to RS232 adaptor drivers approved for use with HCT software
- Opto3000 USB drivers
- *Crossloop™ - Remote access package used by HCT FAE's to operate TekBook from their base
- HCT product information files
- Adobe Reader
- Microsoft 7 Windows Home
- 2010 Office Starter
- Customer specific / requested software

*TekBook must be connected to Internet for Crossloop to operate
