ABOUT US

WWW.FWMURPHY.COM

We Are Innovators.

We led the way in helping to meet the latest engine environmental emissions regulations with instrumentation that eases the transition to electronic engines. We continue to explore new technologies and develop new products for emerging market needs. Murphy innovations don't just apply to products. We have integrated a standard operating system which utilizes lean manufacturing and Six Sigma for maximum productivity.

We Are Customer Driven.

We pride ourselves on customer satisfaction and service. We work closely with our customers to design and deliver innovative and reliable products for specific applications. Our goal is to not only meet, but to exceed customer expectations in order to become your preferred partner.

We Are Global.

We are where our customers are. North American operations are centrally located in Tulsa, Oklahoma, with additional offices in San Antonio and Rosenberg, Texas. Our international manufacturing operations are located in Europe and China, with sales offices in India, South Korea and Latin America. Customer support is achieved through our extensive distributor and dealer networks available throughout the world.
